§ 48-5-299(c). Changing real property values established by appeal in prior year or stipulated by agreement

- (c) When the value of real property is reduced or is unchanged from the value on the initial annual notice of assessment or a corrected annual notice of assessment issued by the board of tax assessors and such valuation has been established as the result of an appeal decision rendered by the board of equalization, hearing officer, arbitrator, or superior court pursuant to Code Section 48-5-311 or stipulated by written agreement signed by the board of tax assessors and taxpayer or taxpayer's authorized representative, the new valuation so established by appeal decision or agreement may not be increased by the board of tax assessors during the next two successive years, unless otherwise agreed in writing by both parties, subject to the following exceptions:
 - (1) This subsection shall not apply to a valuation established by an appeal decision if the taxpayer or his or her authorized representative failed to attend the appeal hearing or provide the board of equalization, hearing officer, or arbitrator with some written evidence supporting the taxpayer's opinion of value;
 - **(2)** This subsection shall not apply to a valuation established by an appeal decision or agreement if the taxpayer files a return at a different valuation during the next two successive years;
 - (3) Unless otherwise agreed in writing by both parties, if the taxpayer files an appeal pursuant to Code Section 48-5-311 during the next two successive years, the board of tax assessors, the board of equalization, hearing officer, or arbitrator may increase or decrease the value of the real property based on the evidence presented by the taxpayer during the appeal process; and
 - **(4)** The board of tax assessors may increase or decrease the value of the real property if, after a visual on-site inspection of the property, it is found that there have been substantial additions, deletions, or improvements to such property or that there are errors in the board of tax assessors' records as to the description or characterization of the property, or the board of tax assessors finds an occurrence of other material factors that substantially affect the current fair market value of such property.
